

Did you know?...

- Americans use **2,500,000** plastic bottles every hour
- Average amount of bottled water consumed by an American:
 - 1976: 1.6 gallons
 - 2006: 23.8 gallons**
- Cost of one gallon of tap water:
 - Less than one cent**
- **Tap water is more regulated** than bottled water
- Alternatives:
 - Concerned about what is in your tap water: **buy a filter**
 - Use a **reusable bottle**
